Photo Permission

On occasion the Fulton County Family Partnership take photos of the children and families doing exciting activities in the program. We would like to include all our families' children in our photos, so please take a moment to fill out the permission slip. The photos will be limited in use for the newspaper web-site and for display at the center.

 PG-Movie Permission
 PG-Movie Permission

 During childcare we will on occasion be viewing PG or PG13 (sacc only) rated movies. Please sign below if you give permission or do not give permission for your child to view the movies. Other arrangements will be made if you do not give permission. Many Walt Disney movies today are rated PG or PG 13

Sunscreen Permission

Parents at the center are encouraged to provide sunscreen for their child(ren) while at the center. The sunscreen should be SPF 15 or greater. We recommend using the continuous sprays as they are easier to use when there are large numbers of children in care. Please make sure that sunscreen is marked with your child's name and can remain at the center for everyday use.

Waterless Hand Sanitizer

I give permission for my child/ren to use waterless hand sanitizer when soap and water are not available. Waterless hand sanitizer will not replace soap and water hand washing. Soap and water will be used as soon as accessible.
